## Superintendent's Message

Mr. John R. Lovelace  
Superintendent

A person's destiny in the work-a-day world is determined by what he knows and applies. Some people never find what they would like to do; others fail to recognize what they are able to do. The important thing for each of us is to decide what we are best fitted for and then bend all our efforts in that direction. A broad education helps us to eliminate many occupations which most individuals imagine they would enjoy. It helps us to pick our life's work and starts us on our way. It teaches us that wealth is only created by constructive efforts and that he who consumes wealth without producing an equal amount is a debtor rather than a creditor for the common welfare. In school, as in life, we will get out of it in proportion to what we put in it.

## Tigers Will Open Against Kootenai

MULLAN—The Mullan Tigers will open their football season on Teeter's Field in Kellogg at p.m. Aug. 31 against Kootenai high school, Coach Norman Walker said today.

The remainder of the schedule is as follows:

Sept. 6—Superior, 7:30, Sather Field.  
Sept. 13—St. Maries, 7:30, Sather Field.

They wore white blouse, short purple pleated skirts and white majorette boots and carried white and purple pompoms. Cheryl Troxel is the head majorette, Dorothy Combes, president, Penny Pehan, vice president and Carol Hegbloom, secretary. The cheerleaders are Karen Smith, Madeline Tiitso and Cynthia Smith. They wore purple tights, purple circular skirts and purple crop tops with the cheerleader emblem and white blouse and used purple and white pompoms.

## Kootenai Wins Cage Tourney

KELLOGG — Once again Kootenai high school has beaten out Mullan high school for the right to go to the state basketball tournament.

Kootenai won the second game in the two-of-three series here Saturday night, 60-47, after taking the first game Friday night 60-51.

## Three Tigers May Miss Game

MULLAN — The Mullan high school football team suffered three injuries Friday that will hurt the team in its game at Post Falls Friday afternoon. Coach Norm Walker said today.

The Tigers were beaten 33-0 at Lakeland.

Bud Sprute suffered an injured elbow, Gary Garitone a sprained arm and Keith Jutila a slight concussion and all three may be out of the lineup Friday, Walker said.

"That means we'll have to replace them with freshman and sophomores," the Tiger coach said.

Lakeland scored on the second play of the game when Fletcher ran 80 yards for a touchdown and then scored a few minutes later on a pass. Mullan held Lakeland scoreless in the second period.

## Tigers Win in Dying Seconds

A Frank Merriwell finish gave Mullan its first conference vic- tory Friday night on Sather field 13-12 over Priest River.

Charlie Wilson, an end, picked up a Priest River fumble on the Mullan 25 and raced 75 yards to pay dirt with seven seconds left to play. The gun ending the game sounded as he crossed the 20- yard line.

With victory riding on the play, the right side of the Mullan line opened a big hole for Johnny Erickson to slam through to score the conversion.

The game started out as if Priest River would make it an easy victory.

The visitors scored twice in the first quarter, both on end-around plays, and led 12-0 at half-time.

Mullan scored in the third quar- ter on a 20-yard pass play, Ernie Garcia to Dave Autio.

Just before the first half ended

"We just couldn't move the and Lakeland had a much l team," Walker said.

The closest Mullan came t Lakeland goal line was just b the first half ended, when intercepted a pass and ra the Lakeland 30.

President's Message

As President of the "M" Club, I feel it is necessary to tell the reader something of what has become athletic history of Mullan High School. It is customary at times to look back and review some of the events that were a part of 1963-64. It is not a tale of unqualified success. We did the best we could with the material available. Some may criticize, but we really have nothing to criticize.
